OBJECTIVE

Enthusiastic Computer Science engineering student with strong fundamentals in Java, Data Structures, and Web Development. Looking for opportunities to gain hands-on experience in building scalable applications and enhancing technical expertise.

EDUCATION

Bachelor of Technology - Computer Science & Engineering **2024 – 2027 CGPA: 9.21**
Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology

Diploma in Computer Engineering **2021 – 2024 CGPA: 9.4**
Loyola Polytechnic College (YSRR)

SKILLS

Languages	C, Java, Python, SQL
Technical Skills	HTML, CSS, JavaScript
Soft Skills	Communication, Problem Solving, Time Management
Developer Tools	Git/GitHub (Version Control), VS Code

PROJECTS

SELF-POWERED SMART HARDENED GLASS BREAKER TOOL WITH GPS TRACKING

- Developed an IoT-based emergency safety device designed to break hardened glass during critical situations and instantly share location details.
- Integrated GPS and GSM modules to enable real-time location tracking and alert transmission
- Designed a self-powered mechanism to improve reliability during power failure or emergency conditions.
- Technologies Used:** ESP8266 NodeMCU, GPS Module, GSM Module, Sensors, Embedded C, IoT.

FINANCIAL FRAUD DETECTION IN HOSPITAL BILLING SYSTEM

- Developed a fraud detection module for hospital billing to identify overbilling, duplicate charges, and mismatched treatment entries.
- Implemented rule-based anomaly detection and validation checks to flag suspicious billing patterns.
- Technologies Used:** Python, Pandas, NumPy, SQL, and data preprocessing techniques.

CERTIFICATIONS

CCNA 1 & 2: Introduction to Networks — Switching, Routing, and Wireless Essentials

- Completed 20+ labs using Cisco Packet Tracer.

Data Structures & Algorithms in Python (Infosys Springboard)

- Solved 50+ problems and implemented core data structures.

ACHIEVEMENTS

IT TAKES TWO (Debugging)

Velammal Engineering College

- Secured First Prize in IT TAKES TWO at OZMENTA'26, ranking top 1 among 50+ teams.

TECH SCAVENGER (Technical quiz)

Saveetha Engineering College

- Secured First Prize in TECH SCAVENGER at EDZIAL 2.0, ranking top 1 among 50+ teams.
